

Features and Benefits Summary

Push-Button Operated Sanitary Napkin Tampon Vendors *ADA-Compliant*

B-3706 25

Features	Benefits
Push-Button Operated Mechanism	<ul style="list-style-type: none"> ✓ ADA-compliant; operates with less than 5 lbs force without tight grasping, pinching or twisting of the wrist ✓ Easy, intuitive push-button operation ✓ Provides durability and avoids jamming mechanical operation; no battery or electrical energy required (Contributes to LEED Certification)
Jam-Resistant Coin Mechanism	<ul style="list-style-type: none"> ✓ Single coin slots accept quarters only for 25¢ and 50¢ (two-coin operation) rather than two coins side-by-side ✓ Incorrect coin denominations (1¢, 5¢, 10¢) return into the product tray, by-passing coin mechanism ✓ Push-button coin return allows patrons to change product selection after coin is inserted; coin by-passes mechanism and drops into product tray
Extended Product Tray	<ul style="list-style-type: none"> ✓ Easy access to and removal of tampons or napkins ✓ Eliminates having to reach through door opening into the cabinet
Refill Indicator	<ul style="list-style-type: none"> ✓ Signals time to refill product channel(s) ✓ Automatically blocks coin slots when last product is dispensed
Open-Design Product Channels	<ul style="list-style-type: none"> ✓ Easy refilling of tampons and napkins ✓ Extra capacity for 30 tampons; 20 napkins ✓ Positive-feed product channels eliminate need for weights
Security	<ul style="list-style-type: none"> ✓ Two tumbler door locks keyed like other Bobrick restroom accessories ✓ Coin box with separate lock and key for management access
Green	<ul style="list-style-type: none"> ✓ Fabricated of 50-70% recycled stainless steel ✓ Contributes to LEED Certification
16 Models	<ul style="list-style-type: none"> ✓ Available in Bobrick Classic, TrimLine and ConturaSeries ✓ Maintains accessory design-integrity and continuity ✓ Recessed, semi-recessed and surface-mounted installation
